

DISCLOSURE COMMITTEE CHARTER

This Disclosure Committee Charter (the “Charter”) has been developed by the Chief Executive Officer and the Chief Financial Officer (the “Certifying Officers”) of Vodafone Group Plc (the “Company”) and adopted and approved by the Board of Directors of the Company (the “Board”). The Disclosure Committee (the “Committee”) shall review and reassess this Charter annually and recommend any proposed changes to the Certifying Officers for their consideration and, if thought fit, for adoption and approval.

It is the Company’s policy that all disclosures and announcements made by the Company to its shareholders and the investment community should be materially accurate and complete and should fairly present, in all material respects, the subject matter of the disclosure, and that all disclosures and announcements should be made on a timely basis as required by applicable laws and stock exchange requirements.

It is a requirement, in relation to the filing of the Company’s Annual Report on Form 20-F (the “20-F”) with the US Securities and Exchange Commission (the “SEC”), that the Certifying Officers personally certify: (i) as to the accuracy of the financial statements and other financial information included in the 20-F; (ii) that the 20-F not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by the 20-F; and (iii) as to the adequacy of disclosure controls and procedures and internal control over financial reporting.
